

Revised Covid Precautions/Protocol

1. Upon arrival, before snack and after recess children will wash/sanitize their hands.
2. Teachers will be tested prior to the start of school and tested throughout the school year
3. Temperatures will be taken before your children exit your car. Please do not pull away until the temperature is taken.
 - a. Any student with a temperature with 99.4 or above will be sent home
4. Teachers will take their temperatures daily at their arrival
5. The teachers will be cleaning (Clorox wipes, etc) between the AM and PM classes
 - a. Wipe down tables, door handles, faucets
 - b. Rug will be sprayed with an Antibacterial spray
 - c. Teachers will wear an apron to cover their clothes and will switch between the morning and afternoon class
6. Each child has been given a box to hold their own supplies to eliminate the use of having to share supplies.
7. Hillview purchased a sit upon for each child so there will be no sharing of seats
8. The teachers plan on utilizing the outside areas as much as possible.
9. We are limiting outside people (parents, volunteers, etc) into the building as much as possible to limit the exposure of others. Permission to enter the building must be cleared by Hillview staff prior to entering.
10. Please keep an extra mask for your child in their backpack in case they lose or dirty the one they wear into school.
11. Outside food will not be permitted until further notice. This includes any food items for birthday celebrations.
 - a. Snack will still be provided with social distancing in mind
12. Blankets will not be used this school year
13. Toys will be sanitized on a regular basis
14. Ventilation – we will open windows as often as possible to help with air circulation
15. If Covid is suspected/confirmed, the protocol is for the parent to notify the teachers immediately. The child is then required to quarantine for 5 days and wear a mask for 5 days when returning to school.
