Dear Parents,

Our 2026 - 2027 school year is fast approaching! We look forward to meeting new faces and welcoming back returning families.

The following information will answer your questions regarding tuition for this school year. Please note that tuition payments must be mailed to our business manager through our P.O. box. Checks should be made payable to Hillview Nursery School. Please do not send payments to the school. We do not accept cash.

The Board of Directors has adopted the following policy regarding tuition and payments:

1. **A non-refundable fee of \$200.00 is to be submitted with the application.** This includes a \$100 registration fee and \$100 deposit. **The deposit will be put towards the cost of tuition and is reflected in the payment information below.**
2. Tuition may be paid in full if desired. Anyone electing to pay in full is entitled to a 3% discount. **Payments in full must be received by August 1st.**
3. If a family is sending 2 or more children during the same school year, a 10% discount will be applied to the lesser tuition.
4. There is an 11-month installment payment plan available. See payment schedule below.
5. Regardless of which payment plan is chosen, once the school year has begun, families are responsible for the full year of tuition.
6. Installment payments are due by the **1st of each month, from August 1st to June 1st.**
7. *If tuition in full is not received by the 1st of each month, the family will be notified that they will have a grace period of 5 additional business days for HNS to receive their current tuition. At the completion of the grace period, if tuition in full is not received, the family will be notified that their child(ren) will not be able to attend school until HNS receives their current tuition in full.*
8. In response to parents' requests, we have opened a PayPal account to receive tuition payments. **A 4% surcharge will be added to PayPal payments to cover the service fee charged by PayPal.** Please contact the business manager for updated payment amounts and instructions. This is offered for convenience and is not a required method of payment; you may always mail in a check by the 1st of the month to avoid additional fees.
9. Any questions or concerns regarding tuition or payments should be addressed to the business manager.
